

**VILLAGE OF MONTPELIER  
WATER & SEWER DISTRIBUTION OPENING**

The Village of Montpelier is accepting applications for a full-time Water & Sewer Distribution Operator. A licensed EPA Class I or Class II distribution or treatment operator is the preferred level of knowledge skill and ability, however the Village will consider those with some level of training or experience. Duties include being responsible for the operation, maintenance and construction of the Village's water, sanitary and storm sewer distribution systems.

Applicants must have a High School diploma or GED and a valid Ohio driver's License including a minimum Class B CDL or the ability to obtain one within six (6) months. Applicants should also have a minimum of one year experience in water and/or sewer distribution. Possession of an EPA Class I or II Water Distribution, Wastewater Collection or Treatment Certification and/or backflow prevention certification is a plus. Candidates must have the ability to work outdoors in all types of weather conditions; attend training as needed; availability to be on call and respond to emergencies within a reasonable time; work weekends and Holidays when necessary and support a safe working environment in compliance with federal, state and local requirements. Competitive benefit package. Pay rate commensurate with experience and education. Applications are available in the Utilities Office or on the Village's web page at [www.montpelieroh.net/job-openings](http://www.montpelieroh.net/job-openings). Applications will be taken until December 2, 2024. EOE To apply, please send **APPLICATION and RESUME** to: W/S JOB OPENING, PO Box 148, Montpelier OH 43543, or email application and resume to: [apply@montpelieroh.org](mailto:apply@montpelieroh.org)
