VILLAGE OF MONTPELIER COUNCIL MEETING

MONTPELIER, OHIO

JUNE 26, 2023

Call to Order

Mayor Steve Yagelski called the meeting for the Montpelier Village Council to order at 6:00pm on Monday, June 26, 2023.

Roll Call

Roll call was conducted with the following Council members in attendance: Mrs. Heather Freese, Mr. Chris Kannel, Mr. Don Schlosser, Mr. Nathan Thompson, Mr. Kevin Motter, and Ms. Melissa Ewers.

Prayer/Pledge

Pastor Ben Harris offered a word of prayer, followed by those in attendance reciting the Pledge of Allegiance.

Agenda

06/26/2023

Mr. Don Schlosser moved and Mr. Nathan Thompson seconded a motion to approve the agenda for June 26, 2023. Vote on motion: All ayes

Minutes

06/12/2023

Mr. Kevin Motter moved and Ms. Melissa Ewers seconded a motion to approve the minutes from the June 12, 2023 council meeting. Vote on motion: All ayes

Welcome

Mayor Steve Yagelski welcomed all in attendance and encouraged attendees to ask questions.

Audience Comments

Mr. Kevin Motter introduced the students from Montpelier High School that attended Buckeye Boys and Girls State. Buckeye Boys and Girls State is a program where students learn how to form government at all levels. Those who attended were Drake Sommer, Rylan JoHautgen, Kaitlyn Mills, and Reagan Jacob. Kaitlyn Mills was a K9 Officer for the State Patrol, Reagan Jacob passed The Bar Exam and ran for School Bored, Drake Sommer was a City Treasurer, and Rylan JoHautgen was a City Engineer. All the students learned many things and would recommend this program to other students.

Council Comments

Mr. Nathan Thompson has received calls about trees being cut down behind the trail South of Hillcrest. There was an agreement to cut down trees with Mr. Randy Miller before the Village was given the property. Council agreed to set a deadline of July 7, 2023, for the tree cutting to be complete. After the deadline council would like to be notified of more work being done by the trail.

Mayor Steve Yagelski would like to commend the downtown businesses for painting and making the downtown look nice.

Resolution 1376 passed.

Manager's Report

Mr. Jason Rockey presented the Village Manager's report. The following points were noted:

- Attended APPA Annual Conference in Seattle. Attended classes on Public Power Leadership, Building Pride, and Cyber Security for Substations.
- The Landbank Demolition Project transfer of plats downtown has been delayed due to safety concerns about a crack in the Rings building. They are waiting for a structural engineer's report to see if the crack was there before or during demolition.
- Site Revitalization Grant was renewed from the Land Bank and could apply for more than just commercial properties.

Adjourn

There being no further business to come before Council, Mr. Don Schlosser moved and Mr. Chris Kannel seconded a motion to adjourn. Vote on motion: All ayes

RESOLUTION 1377

A RESOLUTION AUTHORIZING THE VILLAGE MANAGER TO PURCHASE ELECTRIC EQUIPMENT AND INVENTORY NECESSARY FOR IMPROVEMENTS AND MAINTENANCE TO THE VILLAGE ELECTRIC SYSTEM

WHEREAS, the Village of Montpelier Electric Department is in need of electric equipment and inventory for improvements and maintenance to the electric system, including without limitation improvements to the system near the Southwest Subdivision; and

WHEREAS, certain electric equipment and electric system components are in short supply nationwide, resulting in long lead times and pricing complications; and

WHEREAS, the need to maintain the electric system constitutes an emergency necessary for the health and safety of the Village of Montpelier and its residents and other electric customers; and

WHEREAS, while the price for individual pieces of equipment and inventory is less than \$50,000.00, the aggregate the price for equipment needed for current improvements and maintenance, and anticipated future improvements and maintenance exceeds \$50,000.00; and

WHEREAS, under Section 11.05 of the Charter of the Village of Montpelier and Section 123.03 of the Codified Ordinances of the Village of Montpelier, the Council for the Village of Montpelier may authorize the Village Manager to make purchases in excess of \$50,000.00 without securing competitive bids; and

WHEREAS, the Electric Department has requested price quotations from multiple vendors for the desired equipment and inventory and has received the attached quotations, which are reasonable in the current market; and

WHEREAS, the Council for the Village of Montpelier finds and determines that it is in the best interests of the Village of Montpelier and its residents and electric customers to purchase the necessary electric equipment and inventory under terms substantially similar to the terms of the quotations received from the responding vendor

NOW THEREFORE BE IT RESOLVED by the Council of the Village of Montpelier, Williams County, Ohio, two-thirds concurring that:

SECTION 1:

The Village Manager is hereby authorized to purchase the electric equipment and inventory listed on the quotations and is further authorized to negotiate such additional or alternative terms with the vendors as are in the best interests of the Village of Montpelier. Such additional or alternative terms may include without limitation: quantity, price, delivery time and method, and substitute equipment and inventory.

SECTION 2:

This Resolution shall be in full force and effective immediately upon its passage.

Hi Tim,

For the below request, I have found some dual voltage 3-phase pads that I will be quoting here in a day or so. For the single phase 37.5 kVA pads, do you have to have dual voltage? I have some options with 12470y/7200 high voltage if those will work.

REMAN units per quoted specifications

Destination: Montpelier, OH | **FOB:** Destination | **Shipping & Handling:** Prepaid & Allowed
Shipment: 47-54 Weeks ARO | **Warranty:** 3 Years | **Terms:** Net 30 with approved credit.

Offer to sell valid for 30 days. Price is subject to re-evaluation after 15 days. Units subject to availability.

Please note any changes to the specifications on this quotation form and reference the quotation number on your Purchase Order. Sunbelt Solomon ("Supplier") will use your Purchase Order to proceed with manufacturing when terms and conditions are finalized. Please note that changes made after the manufacturing process begins may result in additional charges and potential delays in production. Production of units that are contingent on the approval/receipt of drawings will begin the manufacturing process after the final sign off on the specified drawings by the customer. Please contact your sales representative for the estimated drawing lead time associated with this quote.

All sales, rental and services are subject to Supplier's Terms and Conditions for Sales and Rentals of Equipment and/or Services ("Terms and Conditions") unless otherwise mutually agreed in writing by officer of Supplier as evidenced by such officer's signature. Acceptance of a Buyer purchase order by Supplier does not constitute acceptance of Buyer terms and conditions. As orders are time sensitive and it is cost prohibitive to review and negotiate terms and conditions between parties, Supplier Terms and Conditions apply to quotes/orders: 1) with a value before tax of \$25,000 or less, 2) emergency services or services completed before issuance of a purchase order, and 3) rush orders for sales and rental that are to ship within three (3) days regardless of submission of terms and conditions by Buyer. If the Quotation is for Company to perform evaluation services on Customer-owned equipment (e.g. for Company to determine how/if the piece of equipment failed and/or whether it can be repaired), then the provisions of terms and conditions will apply which include (among other provisions) risk of loss remaining with Customer and Company only being liable for damage to this equipment to the extent of its gross negligence or willful misconduct. In no event does Supplier accept consequential damages or agree to Prime/Owner contract terms and conditions.

Price does not include tax. If applicable, tax will be added to the invoice. If order is tax exempt, please provide a copy of your exemption certificate. Unit(s) quoted are for normal service conditions as defined by ANSI/IEEE Standards. Notify Supplier at time of quotation should the unit(s) be subject to harmonics, motor starting, shovel duty, or other special service conventions.

Schedules

All Delivery dates are estimates and under no circumstances does Company guarantee date of delivery. Company shall not be responsible or liable for any damage or loss which occurs during transportation and/or shipment of the Equipment. Company is not liable or responsible for any costs of Customer caused by any delays in transportation or delivery.

Shipping FOB Montpellier, OH 43543 included in the quoted price per foot. (Dry Van)

Current extended lead times may result in shipping cost increases due to fuel cost increases, etc. at time of shipment. If actual cost to ship exceeds cost included in quote by 5%, additional freight charges may apply. Customer at time of shipment can pay the additional shipping charge or schedule and pay for shipment. Customer can always request a quote that does not include the cost of shipping. Actual costs to ship will be determined at time of shipment. Additional shipping charges will be billed as a separate line item on invoice.

Lead time is 2 weeks

**dry van shipping does not include: lift-gates/residential or limited access deliveries

"Schedules can vary due to amount of orders received"

In the situation of increasing HDPE resin prices, Creek Plastics reserves the right to re-quote any conduit not shipped as of date determined by Creek Plastics if the price per pound of resin has cumulatively increased over 5 percent per the Monthly Petrochemical and Plastics Report from Chemical Data, LP (known as CDI) published on or about the 24th of each month. Initial report for base HDPE resin price is expected to be published May 24, 2023. Cumulative can mean over one month or multiple months after the initial report and can include net increase and decrease. This statement is in addition to the current expiration date of the quote.
